

Corning Heritage Center
Brick Donations for the Curran House Sidewalk

Help the Corning Heritage Center **build a sidewalk** from the front door of Curran House to the sidewalk by Celtic Hall. You may **purchase a brick in honor or in memory of someone**. Each brick will be engraved with your text and costs **\$50 each**. When the sidewalk is built, the bricks will be placed at random, and you cannot request the location of your brick(s). If you are interested in purchasing one or more of these bricks, fill out the form and include your payment. Checks may be made out to Corning Heritage Center. Our mailing address is: **P.O. Box 282, Montgomery, IN, 47558**.

Your Text

Place no more than one letter or number in each box. You may use the ampersand (&) instead of writing out the word “and.” If you would like to order more than one brick, please use the extra sections on the back or second page and include the appropriate payment at \$50 per brick.

Your Information

We ask that you include your personal information in case we need to contact you about your order. Thank you!
